

*The Bartkus Family and Staff of the Woods of Westminster are hosting a Golf Tournament to benefit Julie (Cotter) and Jon Bartlett*

**WHY?**

Julie Cotter Bartlett was in a terrible car accident on November 6, 2006. She was taken by Med-flight to Mass General Hospital where she spent weeks in the Surgical Intensive Care Unit. Teams of doctors, nurses and specialists attended to her life threatening injuries, which included a broken back, massive trauma, the loss of her right arm and extensive nerve damage to her left arm. Tragically, Julie was nearly 9 months pregnant at the time of the accident and suffered the loss of their son, Brody.

There is no foundation (like the Jimmy Fund) that is focused on trauma related accidents that their family can utilize. Therefore, it is up to friends and family to support them spiritually and financially.

The Bartkus family is starting an Annual Golf Fundraiser for the family and 2007 is the inaugural event.

The cost for golf/dinner is extremely low for an event like this and hope all attendees will come with a full wallet for the auction!

See you on May 12<sup>th</sup> for a great cause.
