Dear Friends and Family:

Please join us on Saturday, May 12, 2007 at The Woods of Westminister for a Golf Tournament to benefit Julie and Jon Bartlett.

As many of you know, Julie Cotter Bartlett was in a terrible car accident on November 6, 2006. She was taken by Med-flight to Mass General Hospital where she spent weeks in the Surgical Intensive Care Unit. Teams of doctors, nurses and specialists attended to her life threatening injuries, which included a broken back, massive trauma, the loss of her right arm and extensive nerve damage to her left arm. In addition to her personal injuries, Julie and Jon were expecting their second child. Tragically, Julie was nearly nine months pregnant at the time of the accident, and suffered the loss of their son, Brody. On December 5th, after weeks of surgeries and around the clock care, Julie was transferred to Spaulding Rehabilitation Hospital. Since that time she has been working with physical, occupational, and speech therapists to learn how to walk again, function without the use of her arms and has finally returned home. These are the first small steps on her road to recovery. The future will bring tremendous challenges for Julie, Jon and their two-year-old daughter Bridget as they adjust to a different life ahead. The medical and home care costs (not covered by insurance) along with her prosthetic arm and modifications to their home and lives will be significant.

On May 12, 2007 we will have a golf tournament followed by a dinner. If you are not a golfer please join us for dinner.

With our deepest appreciation,

The Bartkus Family and Staff of the Woods of Westminister
